Keynote speaker and leadership strategist

Dr. Paul Chabot

Ed.D., ACPS, ICPS

Real-world leadership from the battlefield, the White House, and the street.

Keynotes at **West Point**, the **U.S. Naval Academy**, and **White House conferences**. 48 states over 25 years.

Retired U.S. Navy Intelligence Commander | Former White House Senior Advisor, ONDCP | Iraq War Veteran, Joint Special Operations
21-Year Reserve Deputy Sheriff (Ret.) | Ed.D., ACPS, ICPS

Dr. Paul Chabot is a retired U.S. Navy Intelligence Commander, Iraq War veteran, and former White House Senior Advisor for drug control under Presidents Clinton and George W. Bush. A 21-year reserve deputy sheriff and national TV analyst, he has spoken in 48 states over 25 years, including keynotes at West Point and the U.S. Naval Academy. Dr. Chabot is an Advanced Certified Prevention Specialist (ACPS), the highest prevention credential awarded by the Texas Certification Board, and holds the matching International Certified Prevention Specialist (ICPS) credential through the IC&RC.

Signature talks

Fentanyl, Cannabis & Alcohol: What Every Student Needs to Know

Straight talk about counterfeit pills, high-potency cannabis, and drinking, with practical tools students can use the same night. Supports campus prevention programs; no shaming.

Leading Through Hard Times

Staying steady and making good decisions under pressure, from the White House, Iraq, and patrol.

Mission-Ready: Veterans and Leadership

A Navy Commander's lessons on service, duty, and leading teams, built for Veterans Day and leadership events.

National Security and Terrorism

How terrorist groups, cartels, and hostile regimes operate, and what that means for America.

Organizational Resiliency

Why some organizations survive shocks and others collapse, from the 14 resiliency characteristics in Dr. Chabot's doctoral research and his book *Eternal Battle against Evil*.
